

Time flies like a shooting star...

Time flies like a shooting star. I have studied in Sung Tak Wong Kin Sheung Memorial School for 5 years. My favourite school activity is Sports Day. When I was running, my classmates and teachers cheered for me. During these years, I was really joyful. I have won twice in the running races. My classmates and teachers were proud of me.

Another wonderful memory is the school picnic. I went to Lion Rock Country Park with my teachers and classmates this year. We brought a lot of food. We ate chicken wings, pineapples, fish balls and much more. We saw some naughty monkeys and beautiful flowers. We had a lot of fun.

I have a lot of unforgettable memories in Sung Tak Wong Kin Sheung Memorial School. I would like to thank the school and all my teachers. Without them, I will not have such a fantastic school life.
