

A Fly

It was Friday afternoon. Tom and Mary wanted to choose a place for lunch. They found some restaurants on the web.

They found Moon Restaurant, River Restaurant and Queen's Restaurant. They liked yummy food. River Restaurant was more expensive than

Queen's Restaurant. Moon Restaurant was the most expensive. Finally, they decided to go to Moon Restaurant because they wanted to eat yummy food.

At the restaurant, a waiter gave them a menu. They looked at the menu. Tom asked, 'What would you like?' Mary said, 'I want the most popular one. I like spicy food. I'd like chicken curry and chicken rice.' Soon they ordered chicken curry and chicken rice.

Ten minutes later, the food arrived. Suddenly, Mary shouted, 'Oh, no! There is a fly!' She felt so scared. Tom was scared too. Mary's hands were shaking.

In the end, they told the chef what happened but the chef did not say sorry or cook a new dish for them. The chef said, 'Go away!' They went home angrily. Tom and Mary would never go to Moon Restaurant again.
