My Hobbies

Hello! My name is Hannah Tsang from Class 4D. I am nine years old. I have many hobbies.

I love outdoor activities, especially sports. It's one

of my favourite things to do in my spare time. I enjoy playing sports such as basketball, badminton, track and rugby. I always play basketball because I am in the school basketball team. I like playing basketball at recess with my friends.

I like indoor activities too. I like playing the recorder, the piano and many more! In my spare time, I sometimes play computer games for fun. Besides, I

also like listening to music on my mobile phone. I listen to all kinds of music.

To me, indoor and outdoor activities can both be very fun, entertaining and relaxing. I hope that I can learn new skills and instruments in the future.
