

## A Bad Experience in the Park

Last week, Oscar was in the park playing games with his dog, Gary. Gary had spots on his fur. Oscar loved Gary. He taught Gary tricks. They smiled at each other happily. Gary also wagged his tail.

However, a robber wearing a mask and holding a knife approached Oscar. He said, 'Give me all your belongings NOW!' Oscar was shaking in fear. He screamed, 'HELP!' He was so scared that his heart

almost stopped beating. Luckily, Gary ran quickly to the robber and bit his leg. The robber got even angrier. Oscar and Gary got some time to escape from the robber. They ran as fast as they could and the robber was chasing them.

At last, they ran out of the park. Two police officers were guarding the entrance. They saw the robber chasing Oscar and Gary. They ran to the robber and caught him. Oscar was so relieved but he got some cuts. He went to see the doctor. The doctor treated his wounds. Oscar learnt that he must be more careful and calm when he saw a robber.
