

A Strange Dream

Last night, Vincent had a very strange dream. The dream was about Vincent becoming a Superhero. He woke up in the afternoon. He was shocked to see a Superman suit on his bed. He thought, 'Who gives me this Superman suit? Maybe I should try it on.' He was excited. He wore the suit and looked at himself in the mirror. He said, 'Mirror Mirror on the wall, who's the most powerful man in the world?' But then, the mirror said, 'It's you!' Vincent was shocked to see the mirror talk. He was now smart and full of unlimited power.

Vincent said, 'The Superman in the movie can fly. Maybe I can too!' He jumped out of the window. At first, he closed his eyes because he was scared of falling down. When he opened his eyes, he saw himself flying in the sky. He felt great.

He was patrolling like a police. When he flew over the bank, 'Beep! Beep! Beep!', a man with a mask was carrying a big bag of money and escaping. 'Oh no! I should catch him!' Vincent shouted loudly. He used his strong power to catch the robber. The robber yelled, 'Who are you? Let me go!' Vincent said, 'You are not going anywhere!' Vincent took the robber to prison and gave the money back to the bank owner.

In the end, Vincent became a hero. Suddenly, an old man flew to Vincent. He said, 'You have passed the challenges for becoming a new Superman. Vincent was cheerful to know that he became the new Superman. But then, he heard a voice, 'Get up or you will be late for school!' He knew it was only a dream. However, he was delighted to catch the robber in his dream. He decided to be a policeman when he grew up and help people in need just as Superman did.
