

# My Best Friend in Class

My best friend is Mandy Lee. She has big eyes and a small nose. She is tall. We are both in Class 3A. She sits next to me.

Mandy is a wonderful friend. She is cheerful. She is always happy. She is kind. She is willing to share food.

Mandy is good at Chinese. She is good at writing Chinese poems. She is good at Visual Arts too. She is good at painting.

I play with Mandy and I listen to her. We do not fight with each other.

I am glad Mandy is my friend. She is a great friend!
